Subject: **PAK-GCC FTA NEGOTIATIONS**

It is to inform that Ministry of Commerce is in process of negotiating Free Trade Agreement with Gulf Cooperation Council (GCC) members that include trade in goods, services, investment and areas of cooperation in different industrial sectors that can be extended between the two sides. In this regard, EDB, on behalf of the Ministry of Industries and Production has to provide list of items for market access in GCC member countries and offer/ concession list, where Pakistan can offer market access for GCC members.

2. Forgoing, your esteemed Association/ Industry is requested to share list of potential items where we need market access in exporting to GCC member states and list of items to be offered to GCC members for import into Pakistan, specific to your industrial sector. It shall be appreciated if the proposed lists may reach EDB, as per attached format, on or before 26th September, 2022 along with justification and rationale. Before finalization the draft lists would also be discussed with relevant industrial sectors/ associations subsequently, if required.

Best regards,

(Engr. KB Ali)
